## President's Message

Looks like we will be moving to new digs yet again.

The Board of Directors voted unanimously to move to the Norma Hertzog Community Center in Costa Mesa.

The old library has been renovated and now serves as a community center. **Jan Hennessey** initially discovered that the city was looking for tenants and she and **Paula Butler** went to confirm the quality and price of the facilities.

The site offers a significantly bigger main room with an additional room for the culture class. There is no kitchen but the larger size of the main room will ease the space for the food tables and enable us to significantly enlarge our plant show area.

I will let the Society know by the Christmas party whether the change will occur in January or February. I will be going to Costa Mesa to sign papers this week.

Thanks to Jan and Paula for doing the legwork!

Happy Holidays and lots of orchids to all,

Tom Harrison  
NHOS President
