President's Message

Hi All,

Jose Carlos Lopez gave an excellent talk on habenarias in June. The flowers were pretty, and I was unfamiliar with most of them.

I love learning about orchids that I have no intention of growing. They are usually beautiful and difficult to grow or just different and therefore daunting. Pictures and info are a terrific way of saving money as opposed to purchasing and losing the fight to keeping them alive.

Thanks to past NHOS President, **Linda Ianelli**, for her brief presentation to the Society on some legal status issues. She thoughtfully and generously gave of her time and legal expertise. There were three main take-aways.

One, the Society could not go forward with the show in August at the Westminster Mall. Due to a lapse in some of our State of California paperwork, signing contracts could have been legally inappropriate for both the signers and the Society for reasons such as liability and insurance.

Two, we petitioned the State to fix our organizational status. Linda filed the paperwork on our behalf.

Three, we changed the "opportunity table" (formerly "raffle") to comply with State rules. The State paperwork will likely take months to resolve, but that is OK as we are expected to do our ordinary business as usual.

With that in mind, thanks to **Michael Miranda** (yet again) for hosting July's upcoming Installation Dinner, and thanks to **Merle Robboy** for officiating (I will be in Sweden). The Board of Directors will be

looking into bringing back an auction soon as an in-house fund-raiser.

As the year ends, I also thank **Kira Jones** for her tremendous efforts at helping the Society put on displays at the various shows and her work as 1stVP by providing excellent speakers.

Thanks also to **Rosemary Krumme** for keeping our notes and notices going, both online and in person, and, finally, thanks to **Richard Hara** for this year and many before for looking after our finances in such a dedicated way.

Enjoy the summer,

Tom Harrison
NHOS President

Orchid Sales at Sherman Gardens

NHOS will be participating in Sherman Gardens "Plantorama" on July 15 & 16.

We will have tables and limited space available to us for our members to sell their plants.

As this is not an NHOS sponsored event, there will be no official "member's plant sales."

If interested in participating, each member will be responsible for their own plants—labeling, pricing and handling their sales transactions. We will be there as a society but each member will be selling their plants on their own.

Any questions, please contact Paula Butler at (714) 856-6222.

Membership Corner

Hello NHOS Members!

If you haven't already renewed your membership, you still have a little time left.

In order for me to get the MOST CURRENT AND UP TO DATE information for our directory, please complete the Renewal Form, enclose a check in July made out to Newport Harbor Orchid Society (NHOS), and send it to Linda Barker, PO Box 1204, Laguna Beach, CA 92652.

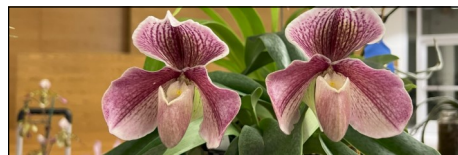

Please DO NOT WRITE NHOS ON THE ADDRESS ENVELOPE BECAUSE THE USPS WILL NOT DELIVER IT.

If you are not able to mail the form, please have the form completed, and you may pay your dues at the meeting.

We encourage you to invite your friends and neighbors to join the club as well.

Happy Orchid Growing!
